

WHAT IF THE BEST TIMES ARE AHEAD OF US?

WHAT IF THE ONLY “BACK” WE’RE GOING TOWARDS
IS BACK INTO OUR ANCESTRAL WAYS, INTO OUR
SPIRITS, INTO THE THE EARTH?

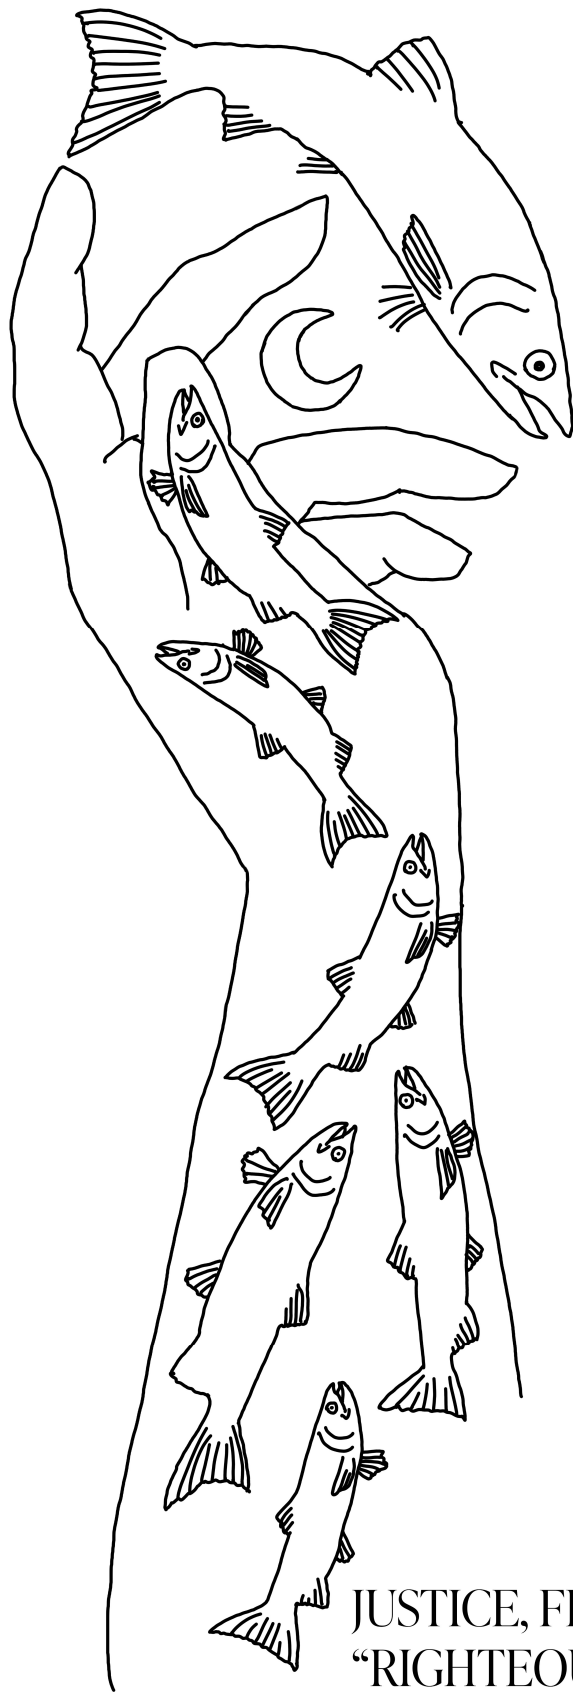

CLIMATE JUSTICE IS OUR DREAM;
OUR BALANCED FUTURE TAKING SHAPE
ON THE LANDSCAPE OF OUR HEARTS,
MINDS, AND BODIES.

CLIMATE, AN ENGLISH WORD MEANING REGION,
PART OF THE EARTH, OR SLOPE OF THE EARTH,
HAS COME TO BE OUR WAY OF THINKING ABOUT THE FUTURE.
CLIMATE ASKS US HOW WE WANT TO WEATHER THE FUTURE;
IT'S ABOUT THE RAIN, THE HEAT, THE SUN, AND THE WIND.

JUSTICE, FROM LATIN MEANING
“RIGHTEOUSNESS, EQUITY,
UPRIGHT, JUST”, IS A QUESTION,
A SPIRITUAL IMPERATIVE TO
FIND ALIGNMENT BETWEEN
ACTION AND GROUNDED
CONNECTION.

CLIMATE JUSTICE IS OUR VISION THAT TEACHES US HOW TO MOVE
IN HONEST AND BOLD WAYS, CONNECTED WITH WHAT IS
OCCURRING EVERYWHERE, IN ALL OF OUR HOMELANDS AND
COMMUNITIES, DOWN HERE ON THE SURFACE OF THE EARTH,
UNDER THE FORCES OF UNKNOWN WEATHER.

IN THIS MOMENT,
WE MUST DREAM THE INDIGENOUS DREAM.
AND SO WE DREAM CLIMATE JUSTICE.
